# *Parish Council Seat Open!*

## Interested in being part of Parish Council?

A Parish Council seat has recently opened up. The term would last until December 2024.

According to Fr. Harakas, a well-known Orthodox theologian and Professor, "Parish councils help do the work of the church. And 'the work of the church' is to continue the work of Jesus Christ in the world. The council is one of the ways the laity of the Orthodox Church share in the church's work of preaching, teaching, blessing, sanctifying, directing, guiding and realizing the community of believers."

If you are interested in being on the Parish Council, or wish to nominate someone, here are a few things to keep in mind:

1. If interested, or wish to nominate someone, please contact Fr. Pete and PC President Peter Koulouris (their e-mails are: frsotiras@gosaintbasil.org and peterkoulouris1954@gmail.com). Due to the time sensitive nature of this matter, please let them know if you would like to run as soon as possible. The Parish Council is looking to fill the open slot by its June meeting.
2. This specific term will last until December 2024.
3. All who wish to run for the Parish Council, are required to attend a Parish Council Seminar prior to being approved by the Parish Council. The date of the seminar will be led by and determined with Fr. Pete.
4. All who wish to run for the Parish Council must also be a member of good standing for at least one year.

What does it mean to be in good standing?

- \* Canonically Baptized and/or Chrismated in the Orthodox Church;
  - \* 18 years of Age or over;
  - \* Live according to the tenets of the Orthodox faith;
  - \* Faithfully attend Divine Liturgy, observe Fast Days & participate in the sacraments such as Holy Communion and Confession;
  - \* New: Must complete Archdiocesan Youthworker On-line Training and Background Check
  - \* Contribute toward the progress of the sacred mission of the Church;
  - \* Remain current in stewardship obligation to the Church (the priest may waive this under special circumstances);
  - \* Cooperate in every way towards the well-being of the Parish.
5. The Parish Council will approve the candidate contingent upon the candidate completing the prerequisite requirements and if eligible.

## St Elizabeth the New Martyr

Grand Duchess Elizabeth Fyodorovna of Russia was born in 1864 and was the wife of Grand Duke Sergei of Russia. She converted to Orthodoxy as an adult after she married the Grand Duke and from that point on, she devoted her life to the service of the Church. St Elizabeth's husband was killed by revolutionaries hoping to take charge of the political power.

Soon after, the Grand Duchess Elizabeth became a nun, giving away her jewelry and selling her most luxurious possessions. With the money she opened the Martha and Mary Home and a hospital in Moscow to pray and offer charity to others along with other devout and faithful women. For many years she helped the poor and orphans in this Moscow home.

In 1918, she was taken by the local Bolsheviks along with several members of the royal family and Nun Barbara (a sister from the St Elizabeth's convent who refused to leave her Abbess). They were herded into the forest, pushed into an abandoned mineshaft, into which grenades were then hurled. A witness heard them singing Church hymns as they were pushed into the mineshaft, including the Troparian of the Holy Cross. After the Bolsheviks left, he could still hear singing for some time. The last thing Elizabeth did as she lay dying in the mineshaft was to bandage the wounds of Prince Ioann with her handkerchief. Her feast day is celebrated July 5 (18). You can find book recommendations, activity suggestions and more at the follow blogpost. **Just scan the QR Code:**

## Activity

**St Paisios** (celebrated July 12) was known to have many animal friends. In a letter written to the nuns of a local monastery, he recounts a beloved bird named Olet who became a friend to him. He tenderly cares for the bird, even feeding him daily. He tells the nuns "When I call for Olet to come, he brings with him other birds, friends of his, who run right to the food, but Olet comes out of obedience and love. Even when he is hungry, he sits a while with me and forgets food; I remind him. And now that the weather has turned beautiful and he finds bugs to eat, when I call he still comes out of obedience, even though he is full and not bothered by hunger." *As a family, make bird feeders out of pinecones! Cover pinecone with peanut butter, add seeds and leave for the birds!*

## Hymn of the Month

### Troparion of the Holy Cross

O Lord save thy people and  
 bless Thine inheritance,  
 granting to thy people victory  
 over all their enemies,  
 and by the power of Thy cross  
 preserving Thy kingdom

Listen in English, Arabic and Greek

## Prayer to Memorize this month

### Prayer before meals:

Christ our God, bless the food and drink  
 of your servants, for you are holy always  
 now and ever and unto ages of ages.

Amen.

## Family Corner:

**Russian Tea Party Activity** - Since we are celebrating St Elizabeth the new martyr this month, let's host a Russian tea party for the Grand Duchess!

*Try some of these elements to make a tea party:*

- Russian tea - traditionally black tea with lemon & sugar, orange, cinnamon, clove, honey, and lemon or orange wedges for garnish
- Pancakes with sour cream
- a variety of fruit preserves
- Poppyseed Cakes with honey
- Borscht
- Dumplings
